

## FUNDRAISING INFORMATION

**Wojo's invites you to participate in our Spring Fundraiser Program. We are committed to helping our community by offering fundraisers to schools and organizations. .**

**We will reserve a day or two for your Fundraiser. You just encourage your friends and family to visit Wojo's on that day & have them mention your group to their cashier. We will then send a check for 10% of the total sales attributed to your organization. Our program is a streamlined format that allows you to raise money, with little time or expense on your part. You have no orders to take, no money to collect, and nothing to sort or deliver. Wojo's Spring Fundraiser is easy to do and profitable too!**

**If you are interested in reserving a date, please call early to schedule.**
